ATTORNEYS & COUNSELORS

Carlos Hill *Consultant*

Carlos Hill is a consultant in Brewer, Attorneys & Counselors' Dallas office.

Mr. Hill previously worked at an oil and gas services company as an internal consultant. In that position, he served in various departments, including supply chain management, finance, marketing and logistics.

In 2008, Mr. Hill joined Kaplan as a Graduate Program Instructor. He lectured across New York City at universities, investment banks, and corporations to audiences from various professions, including finance, banking, consulting, and law.

Mr. Hill began his career as a Civil Designer at Toll Brothers luxury home builder, near Philadelphia. He worked with teams of engineers, designers, landscape architects and surveyors to build neighborhoods across the United States. In that position, he and his team designed storm swales, streets, drainage basins, and pipelines around watershed areas.

Mr. Hill received his MBA in operations and finance from The University of Texas at Austin McCombs School of Business in 2013. While at the university, he studied operations, finance, valuation, economics, analytics, optimization, supply chain and business modeling. He was also elected as Cohort Representative and Vice President of Finance of the Graduate Business Council.

He received his bachelor of science degree in environmental engineering from Cornell University in 2006. He also played football at Cornell, where he earned All-Ivy honors.

Mr. Hill also has certificates in Six Sigma, Microsoft Excel and SQL.

Education

MBA, The University of Texas at Austin McCombs School of Business, 2013
B.S. in Environmental Engineering, Cornell University, 2006
